Organ Piper Pizza would like to thank all of you who have shown your support during these tough times. **THANK YOU!** We're pleased to say we will be officially up and running on **Friday May 22nd at 4:00pm**

In an effort to keep employees and customers safe, Organ Piper has implemented a proactive plan that includes social distancing and enhanced disinfecting procedures. Employees will wear gloves and masks as well as participate in temperature checks before entering the building. And as always, we will continue to enforce our strict sanitary rules.

***We ask customers to help enforce the following in an effort to keep everyone safe and healthy!***

- No group larger than 6 people.
- No waiting indoors. Please send 1 member of your party in first to see if there is a wait. If so, we will call your mobile number when your table is ready. Please remain in your car until it's time to be seated.
- Be mindful of social distancing.

**Organ Piper will follow the extra guideline suggestions designated by the Wisconsin Restaurant Association -- continuing to create a fun and safe dining experience!**

- Organist will be playing during normal business hours. However, our game room and dance floor will be closed and off limits.
- All tables, chairs, bar and service surfaces will be sanitized after each use.
- All common areas will continue to be disinfected regularly.
- All utensils, menus and condiments will be either single use or sanitized after each use.
- Staff must pass health checks before the start of each shift.
- Food has always and will continue to be carefully and properly handled.
- We will comply with the appropriate guidelines for social distancing both indoors and out -- and appreciate your assistance in doing so.
- No carry in party decorations, cakes or desserts will be allowed at this time.

Once again, we would like to thank all of you who have supported us before, during and after these unprecedented times and welcome you all back with open arms (at a safe distance)!!

Come on in and enjoy some of Milwaukee's finest traditions.

Sincerely,  
Organ Piper Pizza
