ABOUT THE MUSIC...

The Organ Piper has featured live theatre pipe organ music since it opened in December of 1976. The theatre pipe organ was developed in the 1910's and 1920's as an inexpensive alternative to an orchestra as the accompaniment for silent films. More information about our "Mighty Wurlitzer", as well as request cards, can be found near the organ console.

ABOUT THE ORGANISTS...

Zach Frame - Wednesday through Sunday Evenings Zach owes his interest in the theatre pipe organ to his parents and also a visit to the Organ Piper when he was five years old. He has a degree in recording engineering from McNally Smith College of Music in St. Paul, MN. Zach and his wife Emily reside in East Troy, WI where he is also an active volunteer at the East Troy Railroad Museum.

Perry Petta - Tuesday, Saturday & Sunday Afternoons Perry attended the opening night of the Organ Piper. He began playing here at age 15, and has played here at various times since then. For the past 20 years he has been a regular pianist at Milwaukee's Pfister Hotel. From a musical family, Perry's father owned a music store and his great uncle played theatre pipe organ in Milwaukee movie theaters in the 1930's

Dean Rosko - Substitute Heard by Millions, Dean is the official organist for the Milwaukee Brewers and the Milwaukee Admirals. He also holds the principal organist position at Church of the Gesu in Milwaukee.
